

How to Make a Chinese Lantern

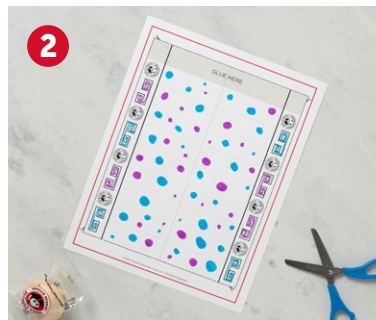

On the last day of the 15-day Chinese New Year celebration, thousands of red lanterns can be seen hanging in the sky during the "Lantern Festival". Follow the instructions below to make your own lantern.

Materials:

- Lantern templates
- Glue
- Scissors
- Colored pencils, markers or crayons

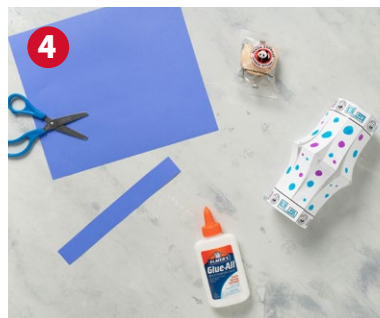

1
Color and decorate the handle and lantern.

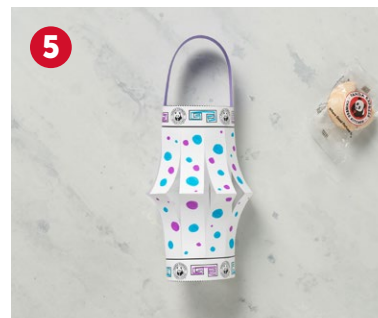

2
Cut the lantern and handle along the dotted line. - - -

3
Fold the lantern in half along the gray line. —
Cut straight lines through the dotted lines and stop before the end. - - - -
Unfold the lantern.

4
Roll the lantern into a cylinder and glue the ends together.
Squish it! Glue the handle to both sides of the top.

5
Enjoy your lantern!
